Information for Applicants

Application writing tips

Building Blocks (Capacity Building Stream) is a highly competitive funding program and organisations need to ensure that their applications make a clear and convincing case for why their project should be funded.

To increase the chances of your application being successful, we strongly recommend that you consider the following tips:

- Start working on your application as early as possible.
You must contact the Early Childhood Grants team at the Victorian School Building Authority to discuss your project before submitting your Building Blocks Modular application.
They can be contacted via phone (03) 7022 2652 or (03) 7005 1955. Or email, building.blocks@education.vic.gov.au
- Carefully read the [Building Blocks Capacity Building Stream Guidelines](#) and [Capacity Building Stream Assessment Factsheet](#). These are available at [Building Blocks Grants - Capacity Building | Victorian School Building Authority \(schoolbuildings.vic.gov.au\)](#). Please also read the [Frequently Asked Questions](#).
- Respond fully to each question on the application form.
- Ensure you include all necessary supporting evidence such as cost estimates / quotes, design drawings and evidence of authority to undertake the works.
- Ensure that all answers and supporting evidence are:
 - clear and concise;
 - factually correct; and
 - directly relevant to the application (for example, only attach policies or strategies that make explicit reference to the project or the existing service).
- Read through your prepared application to ensure it is ready. It can help to have someone else read the application before you submit.

ELIGIBILITY

Your organisation can apply if it is:

- a Victorian local government (Council);
- a not-for-profit community organisation that is a legal entity (for example an incorporated association, incorporated cooperative or Indigenous corporation);
- a Victorian government school; or
- a Victorian non-government school registered with the Victorian Registration and Qualifications Authority or Catholic Education Commission of Victoria.

For-profit organisations cannot apply.

If you have any queries about your grant application, contact the VSBA Early Childhood Grants team at building.blocks@education.vic.gov.au

Attach a lease agreement, or head-lease and sub-lease agreements, with a minimum term of 10 years.

For buildings located on land not owned by DE (e.g. council land, non-government school sites), DE require a 10 year lease or signed written consent from the land owner stating the intent to operate as a kindergarten for at least 10 years after the completion of the project. This is to ensure that project works which were funded under Building Blocks will continue to be utilised for a kindergarten facility.

NOTE:

Organisations can have shorter term leases with the land owner (i.e. less than ten years) and there could be different organisations under a lease agreement at that facility over the ten year period, however the land owner must provide a signed written consent stating that the facility is intended to operate as a kindergarten for ten years after the completion of the project to be eligible for funding under the program.
